

Welcome to our talk show. Tonight our topic is 'Family Life' and our guest speaker is Le Minh Hieu. Hieu is a twelfth-grader. He's just won a gold medal at the International Physics Olympiad. He'll tell us about his family life and how his family have helped him achieve success in his studies.

Audio script – Tracks 7 + 8:

Hieu: Good evening. Well, I live with my parents and my brother. And I must say that all my achievements are the result of their support.

Host: Do your parents help you with your studies?

Hieu: My parents are farmers. They know little about physics. But they believe in me. They always listen to me and cheer me up whenever I have difficulties.

Host: So they encourage you to try harder?

Hieu: That's right. Their love and trust give me strength to carry on.

Host: How about your brother?

Hieu: My brother is my best friend. He shares his happy and sad moments with me, and is always there for me when I need help.

Host: You're so lucky to have a supportive family. Do you spend a lot of time together?

Hieu: Yes. My parents have created some family routines so that every week we can spend some time together although we're all very busy.

Host: Family routines? Can you tell us more about that?

Hieu: Well, family routines are..
