2 Work in pairs. Complete the conversation between Anna, Nam, and Minh using some ideas from 1. Then listen to the conversation and check your answers.

Anna: Nam, why do you think children should do housework?

Nam: Because (1) doing housework helps them develop life skills.

Anna: It's true. Life skills such as cooking, cleaning or taking care of others are really necessary for kids when they grow up.

Nam: Yes, we should all have these basic life skills to be adults.

Anna: Now Minh, why do you think children shouldn't do housework?

Minh: I think kids are kids.

(2) They should be given plenty of playtime when they are young.

Nam: I don't agree with you. I'm afraid too much playtime isn't good for children.

Anna: Well, thank you both for sharing your ideas. They are very useful for my project.
